Danfoss TURBOCOR SMARDT-POWERPAX

Smardt-PowerPax Announces Opening of
Regional Turbocor Service Centre for
Danfoss Turbocor Oil-Free Compressor Technology in Melbourne
May 2014

Smardt Chiller Group is proud to announce that in addition to being Danfoss Turbocor's sole accredited training partner in oil-free technology in Asia-Pacific, we have now opened the only Oil-free Compressor Service Centre in the region at Smardt-PowerPax facility in Melbourne, Australia.

Having already achieved regional market leadership in oil-free compressor technology in Asia-Pacific, Smardt Chiller Group's ability to service its customers will be further enhanced by its brand new state-of-the-art testing laboratory and compressor repair facility equipped with the purpose-designed diagnostic instrumentation and tooling for oil-free compression technology.

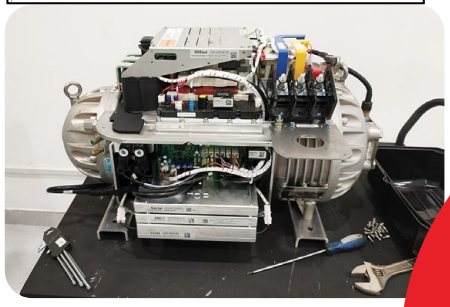

The Centre was established in close collaboration with the manufacturer of oil-free compressors Danfoss Turbocor Compressors Inc. and will operate as Danfoss Turbocor Compressors' sole and accredited testing and repair agent exclusively in Asia-Pacific region.

Smardt-PowerPax, based in Melbourne, Australia is a wholly-owned subsidiary of Smardt Chiller Group Inc., the largest manufacturer of oil-free liquid chillers in the world.
